

CLASSROOM BAKE SALE

Each class will be given a Bake Sale date to sponsor with proceeds going directly to that class. Room Parents will communicate to the class parents to ask them to send in fresh goodies to sell.

At the beginning of the week of your Bake Sale, it is a good idea to display signs letting everyone know there will be an upcoming Bake Sale. Bake Sale reminders will also be in the school weekly email. PFA has some ready-made signs available or you can get creative. You will need some petty cash in money bag or box \$10 – 1's and \$5 in quarters to provide change to the students. Then once the sale is over you will turn in your income to the front office in a designated envelope with your grade and bake sale date. Please count it and write the amount on the outside of the envelope. Let your teacher know how much was raised.

You will also need at least two parents to set up outside (weather permitting) on the sidewalk with two tables (located in the gym under the stage in storage) and chairs if needed as well.

Bake Sales will be held on Friday's

Bake Sale is open 11:00am – 12:45pm (be ready for students at 11:00am)

Recommended items that the students prefer:

- ◆ Nachos & Cheese (Sam's Club) nacho trays provided by PFA
- ◆ Root Beer Floats – cups, spoons, ice cream, & root beer
- ◆ Homemade goodies (Cookies, Cupcakes – individually wrapped)
- ◆ Pre-packaged dry fruit
- ◆ Gummy Fruit Snacks

***** We would like to stay away from candy as an option on Bake Sale

Bake Sale Tips:

Bring cooler with ice for Ice cream, ice cream scooper, extension cord for slow cooker (nacho cheese), plastic liner for nacho cheese in slow cooker for easy clean up, ladle or serving spoon for cheese; have napkins available; all goodies need to be individually wrapped (some students save snacks for later).

PFA will also provide a price list to help so that we are consistent with each Bake Sale.

HAVE FUN GETTING TO KNOW OUR CCS STUDENT!
