Developing Spiritual & Cultural Leaders through Classical Christian Education

Parents & Friends Association

Room Parent Coordinator

A room parent's main task is to facilitate communication between other parents in the classroom, the teacher and the PFA. As the room parent you will be coordinating the classroom parties, organizing teacher appreciation gifts, and coordinating any other help required in the class throughout the year. PFA Room Parent Coordinator will be available to answer any questions and support you as the room parent. The key in being a great room parent is talking with your teacher!

How do you communicate with the parents in the class?

Remind App, Text, Email and/or phone

Ways to support your teacher...

Monthly or Bi-Monthly Duty Free Lunch

Work with Teacher on class parties helping with volunteers and items for event
