
COVENANT
CHRISTIAN
SCHOOL

January 25, 2019

Dear Covenant Families,

It is an important time for our community and for Covenant Christian School. We are in a season of rebuilding in many ways.

Our culture is in great need. We need strong leaders, initiators, and thinkers. Classical education is the returning to an education that established the greatest thinkers throughout history. Covenant Christian School is striving to return to these great methods and hope to REBUILD a culture that loves what God loves.

Plan to attend one of the following Vision Meetings as we discuss where we are as a school and prepare for the future. The Lord is doing great things in the midst of challenging times.

Come hear how you can be part of this process.

Vision Meetings Dates and Times

Thursday, Jan. 31 (6:30 pm)

Friday, Feb. 1 (8:00 a.m.)

Lunch Plans

We are excited to start offering lunches this week! As of right now, we have two vendors we are using, this may change in the weeks to come. Tuesday and Thursday's lunch tickets (Publix subs) need to be turned in to the office on the day before by 3:00 (for example: Tuesday's ticket turned in on Monday and Thursday's ticket turned in on Wednesday). We will send the order in that afternoon. If you need to purchase lunch tickets, they will be sold in the office for \$6.00. If you have any remaining blue lunch tickets from the beginning of the school year, they are still good.

The Re-enrollment period will begin February 1st.

REBUILD Updates

It has been great to see some of the trees and debris being cleared out recently. Church and school leaders have been working hard behind the scenes developing plans to rebuild our campus. We hope to be able to provide some exciting news in the coming weeks as this process continues to move forward.

Flu Season Updates

We are approaching the flu season and want to remind everyone of our illness policies. There is the anticipation of high rates of the flu this winter. Thank you for helping us with this as we strive to keep everyone as healthy and safe as possible.

Illness Policy

CCS does not have facilities to treat sick students. Students who become ill at school are isolated and made as comfortable as possible while parents are notified and arrangements made to have the sick student picked up. Students must be free of contagious disease, fever (cannot be taking medication to reduce fever), diarrhea, or vomiting for at least 24 hours before being readmitted to CCS or provide a written note, signed by a doctor, explaining that the student is not contagious. Fever is defined as any temperature equal to, or in excess of 100.0°F (37.8°C).

Contact Lynn Marcoux (lmarcoux@ccs-pc.net) for more information. Volunteers would be appreciated.
